(PURSUANT TO S. RES. 21, 94TH CONGRESS)
WASHINGTON, D.C. 20510

October 6, 1975

Mr. William E. Colby
Director
Central Intelligence Agency
Washington, D. C.

Dear Mr. Colby:

The Senate Select Committee on Intelligence Activities met Wednesday, October 1, 1975, and during its consideration, took up the question of Senator Edward Kennedy's request for materials concerning certain experimental programs in which the CIA has participated.

The Committee voted that the question you raised in your letter of October 1, 1975, properly was a matter between Senator Kennedy's Subcommittees and the CIA. The Select Committee intends to continue its inquiry into these matters.

With kind regards,

Sincerely,

Frank Church
Chairman
